DETAILED ACTION

Response to Amendment

1. The reply filed on 10/12/05 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s):
2. Newly submitted and amended claims 2-7, 18, 20 and 21 are directed to an invention that is independent or distinct from the invention originally claimed for the following reasons: Applicants have completely changed the scope of their invention by shifting the scope from product claims to method claims.
3. Since applicant has received an action on the merits for the originally presented invention, this invention has been constructively elected by original presentation for prosecution on the merits. Accordingly, claims 2-7, 18, 20 and 21 are withdrawn from consideration as being directed to a non-elected invention. Therefore there are no claims in the application for examination purposes. Applicants must either amend the claims back to the original product claims or file a divisional application with the current method claims for a proper response.
4. See 37 CFR 1.142(b) and MPEP § 821.03. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment.
EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
